Diocese of Norwich Outreach to Haiti

Thousands of children are fed, receive medical attention, and/or go to school because of programs we run or support in Port-au-Prince and surrounding communities. Please join us to make

sure this essential care continues.

Outreach to Haiti Proposed Mission House In Port-au-Prince

This is the latest rendering of the proposed building to replace our Outreach to Haiti mission house in Port-au-Prince that collapsed

in the earthquake of 2010. This mission house will be used as the central office for our nutrition, education, medical and hospitality operations. A capital campaign continues to raise the required building costs. With your generous donations, construction of the facility is projected begin in 2017
