

Customer Instructions for John Deere Parts

www.johndeere.com

Customers can view pricing, availability & order parts directly.

1. Search by serial number for option code list or by part number if already known.

2. If searching by serial number, you will see your specific option code list. Search through the list for the components you are looking for. Click the appropriate option code to see the list of items.

PowerTech 4.5L 4045HFC04 FT4 OEM Engine - PC12517

(As an example, we chose the 2400 option code for a belt. It shows the diagram and specific parts to the right. From here, check your pricing and add items to your cart.)

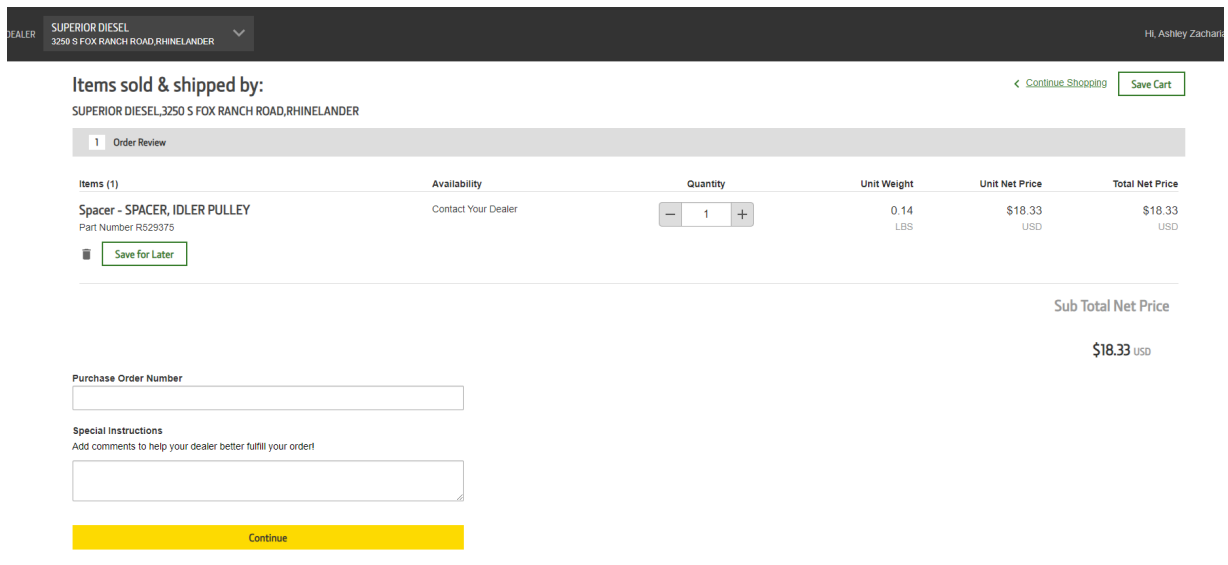

- Once all items have been added to your cart, you can review your order by clicking the shopping cart button in the top right corner.

4.

- If completed, proceed to check out and select "sign in" to continue.

- Fill out all necessary fields including a purchase order number and any special shipping instructions.

7. Choose your shipping method.
