HOW DOES IT WORK?

To get the party started we first begin by serving a variety of traditional pizza pies.

We proceed by making our signature and non-traditional pies.

Throughout the party we replenish pies that your guests are gravitating to or what we perceive their interests are.

We also take special requests so everyone at your party enjoys the wood-fired-pizza experience!

Pizza

There is no set number of pizzas for a party. We bring enough dough and toppings to accommodate the size of the party, and provide boxes for leftover pizzas.

Salad

Garden salad tossed in our house vinaigrette. If you would like another salad, available upon request, additional cost may apply.

Dessert

Hand-filled chocolate chip cannolis.

Gelato, ice cream, and coffee are also available as add-ons. Other desserts are available upon request, additional cost may apply.

- Base price is for 50 people. If less than 50 the 50-person rate applies as a minimum
