

DON'T MISS OUT

Download the CRPA Conference App!

View speaker profiles, connect with colleagues, exhibitors, and sponsors, and explore the exhibit hall!

Customize your own schedule by starring sessions and adding to your calendar.

Get live updates in our interactive Social Feed. Post your own photos and comments!

Explore socials, networking events, award recipients, and more!

4 Easy Steps:

1. Download the App:
 - **Apple Users:** Search **GoEngage** in the App Store
 - **Google Play Users:** Scan the QR Code below
2. Enter **BLAZING** for the event code (*case sensitive*)
3. Search for **CRPA** under My Apps
4. Access the app during the conference to see the full, up-to-date information & start interacting with other users

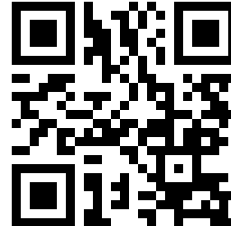

Make sure notifications are turned ON!

If you downloaded the Go Engage app for a previous conference, **make sure to manually update it in your app store before the event!** Updating ensures you have access to the latest event features and schedule! Also, **make sure notifications are turned ON** so you don't miss out on important announcements!
