

# FEBRUARY IS NATIONAL HEART MONTH

*Are you or a loved one  
at risk for a heart attack?*

- ✓ Over 45 and have diabetes,
- ✓ Smoker or former smoker,
- ✓ Have a high stress lifestyle or
- ✓ Family history of heart disease

Assess your risk with a **Coronary Artery Scoring CT**

- Accurate, safe, non-invasive
- Exam takes 5 minutes
- Physician order required

**During February, get your heart score for only \$75**
