

2012 - 2013 Fall/Spring Graphic Design Internship Description:

Description:

Stormwater USA is looking for an intern with strong knowledge and understanding of graphic arts and digital e-learning creation. Our company is currently in the midst of multiple course builds for state entities and will be requiring an intern to aid and assist with multiple facets of graphic design. The intern hired for this position must demonstrate the ability to provide graphic design support (logo and brochure creation, image customization and alteration, 2-D and 3-D graphics) to the course development, marketing and website departments. Candidates must provide design samples and/or links to their samples at the interview. Our vibrant and passionate team is very excited to work with an intern hoping to gain great experience within an e-learning educational institution.

Responsibilities:

- Design and produce visual content for the Stormwater USA website
- Design and/or edit illustrations for website stories and announcements
- Design advertisements for various print and online publications and websites
- Assist in designing layout for Stormwater USA online courses and certification programs
- Design layouts for e-newsletters and marketing materials (new logos, 2D and 3D graphics, brochures, course layout pamphlets and swag items, etc.)
- Attend weekly meetings with the course designer and marketing team
- Assist in brainstorming concepts for upcoming projects

Requirements and Qualifications:

- Self-starter able to work well without heavy direction
- Strong oral and written communication skills
- Working knowledge of Internet, InDesign, Photoshop, Illustrator, Acrobat Reader, Dreamweaver, and WordPress
- Strong computer skills (Microsoft Suite and Word Press proficiency required)

Desired Majors:

Graphic Arts, Digital Imaging, Art, Communication and English

Time Commitment:

Approximately 20 hours a week for 8 weeks (fall/spring semester)

Compensation:

Credit-bearing: Must be able to earn credit through the College and/or University Stormwater USA will complete any paperwork required by the intern's school or internship program and/or provide a letter of recommendation for candidates that complete their assigned responsibilities professionally and successfully.

Deadline for Submission:

December 1, 2012

Starting Date:

February 1, 2013 - April 15, 2013

To Apply:

Submit a cover letter and resume and design samples via email to:
