STANLEY REEG

What an unbelievable story!...Stanley Reeg grew up in an Iowa town of 140 people...parents never owned a house... alcoholic father...mother in sanitarium... six siblings-all very close to this day...only two other kids in his grade school class... no college...was factory worker 21 years.. factory closed...became stockbroker... earned many millions through hard work and persistence...community leader... philanthropist... exotic car collector... married to childhood sweetheart 50 years...

A riveting, fun and fast-paced biography that will have you shaking your head throughout!
