Is Your Organization in Compliance with Local, State, and Federal Employment Laws?

It's difficult to keep up with rapidly changing employment laws while trying to run a business. Yet mistakes are costly and can damage your company's name and reputation. TPS Group HR Services takes those worries away. Our experienced team provides HR expertise in all functional areas. We partner with you to evaluate your needs and develop the best solutions for your unique HR challenges. We can also assist you during times of organizational change.

TPS Group offers the following broad spectrum
of Human Resources (HR) services:

- **Infrastructure development:** Job development, staff reorganization, cost containment, and turnover management.
- **Policies:** Development of policies and procedures, employee handbooks, and employee relations.
- **Hiring & Recruiting:** Ad placement, applicant assessments, recruiting, interviewing, hiring, and onboarding.
- **Coaching, development, and training workshops** on leadership, cultural assessments, harassment, ethics, performance management, and other customized training
- **HR staffing** including interim support when an HR staff member leaves, or ongoing support if you do not have an HR professional. We can help recruit, hire, and train HR staff.
- **Benefit Administration:** administrative support for benefit renewals and rollouts.
- **HR Department Start-up:** on-site or off-site or a combination to best meet your needs
- **HR Audits:** Comprehensive review of your current policies and practices that help you identify strengths and weaknesses.
